

Dear Friends

Opening Ceremony of our Learning Resource Centre

Confederation of Indian Industry (CII)'s – Young Indians (Yi) along with Round Table India (MMRT 3) opened a teaching aid and learning centre for our school.

Our teachers will have the best of equipment now to teach our children through active learning 😊

Excursions

It was a galore of fun to mark the end of the academic year 😊 for the children

The children had a wonderful time amidst nature, animals and outdoor games.

The teachers gave the children a fun filled day after the hectic academic year and exams

New Admissions 2008 ☺

Volunteers and teachers went to each of the children's houses, who are to be admitted to our school for the LKG.

It was not only to ascertain that we are helping the truly needy but also to get a background of the child and living conditions, to better teach the child.

With 25 more children joining into LKG and a few more in the higher classes we are now 108 children strong ☺

School Construction & Contributions

The second phase of construction of 4 classrooms wholly financed and executed by Round Table India – MMRT 3 (Madras Mylapore Round Table 3) is fully under way and is expected to be completed by the end of June 2008 ☺
